## Nominal data

| Type                     | QLK45/1818-3030   |      |
|--------------------------|-------------------|------|
| Phase                    |                   | 1~   |
| Nominal voltage          | VAC               | 230  |
| Frequency                | Hz                | 50   |
| Speed                    | min <sup>-1</sup> | 2200 |
| Power input              | W                 | 32   |
| Current draw             | A                 | .265 |
| Min. ambient temperature | °C                | 0    |
| Max. ambient temperature | °C                | 60   |
| Air flow                 | m <sup>3</sup> /h | 220  |
| Pressure increase        | Pa                | 59   |

ml = Max. load · me = Max. efficiency · fa = Running at free air · cs = Customer specs · cu = Customer unit

## Technical features

|                   |                                       |
|-------------------|---------------------------------------|
| Mass              | 2.15 kg                               |
| Dimensions        | 45 mm                                 |
| Insulation class  | B<br>F or H also available on request |
| Mounting position | Horizontal                            |
| Connection line   | Flat plug 6.3 x 0.8                   |
